

Summer 2020

Dear Parents and New Students:

As many of you can attest from visiting the campus, Gould Academy is situated in a beautiful setting. To familiarize incoming students with their new surroundings, Gould is starting the 2020-21 academic year with an orientation trip.

Registration for new students is scheduled to be held Monday, August 31, 2020 at scheduled times for each student. The rest of the day will be devoted to preparing for the orientation trips. New students will work with faculty trip leaders and prefects in this process.

New students will be grouped for their orientation trips led by our faculty and returning student leaders.

Gould Academy feels strongly about all new students participating in this program for many reasons. In addition to introducing the various outdoor opportunities that are so close at hand, bonds of friendship are established with other new students as well as with faculty members and student leaders. These relationships are important and prove to be quite helpful in the first few months of being away at boarding school.

Attached to this letter you will find an Equipment List and a Registration Form. The Registration Form should be filled out and returned no later than August 15th.

If you have any questions, feel free to send me an email at haywardc@gouldacademy.org
I look forward to seeing you soon.

Sincerely,
